

2018 Northwest Challenge

Dust & Glory October 6th & 7th

Come out and play in the Central Oregon Outback

Test your Land Rovers preparedness and how well it matches up with your Mental Condition

We hope to take you on some fun remote roads and pathways.

We are not planning anything that will cause more than a little pin stripping, But,

Things can happen in the spirit of competition.

Generally, if you cannot live with a little trail rash, the NWC is not for you.

Be prepared! Normal trail gear; ie: Fire extinguisher, first aid kit, shovel, water, etc.

I also suggest compass, GPS, a trusty co-pilot!

Liability Waiver will be signed upon arrival with vehicle insurance info.

We will have a central base camp and will be doing a group Pot-Luck Dinner Saturday evening.

Be prepared for a possible Night Exercise!

We will try to be wrapped up by Noon Sunday for our journey home.

Entry Amount \$30 per vehicle. Includes Two T-shirts
